How to Change Language, Account name, or email address

The screenshot shows the Omnicampus user interface. At the top, a dark blue header contains the 'Omnicampus' logo on the left and a user menu on the right. The user menu is highlighted with a red rectangular box and contains a circular profile icon with the letters 'KI' and two options: 'Profile' and 'Logout'. Below the header, the page title 'Profile' is displayed. The main content area contains several form fields for user information: 'Language' (set to English), 'Account ID' (72700), 'Account Name' (Kinotai1), 'Family Name' (Kinoshita), 'Given Name' (Taisuke), and 'Gmail' (kinotai0422@gmail.com). Each field has a light blue input box. Below the 'Gmail' field, there is a toggle switch for 'Show Icon' which is currently turned on. At the bottom right of the form area, there is a blue button labeled 'Top'.

If you would like to change your Omnicampus **language, account name, or email address**, click the icon at the top right and select **[Profile]**. On the page that appears, update the settings as needed.

If you forget your Omnicampus password...

The login page features the Omnicampus logo at the top, followed by the text "Welcome". Below this is the instruction "Log in to omnicampus to continue to omnicampus." There are two input fields: "Email address*" and "Password*", the latter with a toggle icon. A red rectangle highlights the "Forgot password?" link located below the password field. At the bottom is a blue "Continue" button.

The "Forgot Your Password?" page features the Omnicampus logo at the top, followed by the title "Forgot Your Password?". Below this is the instruction "Enter your email address and we will send you instructions to reset your password." There is an "Email address*" input field. At the bottom is a blue "Continue" button and a link "Back to omnicampus".

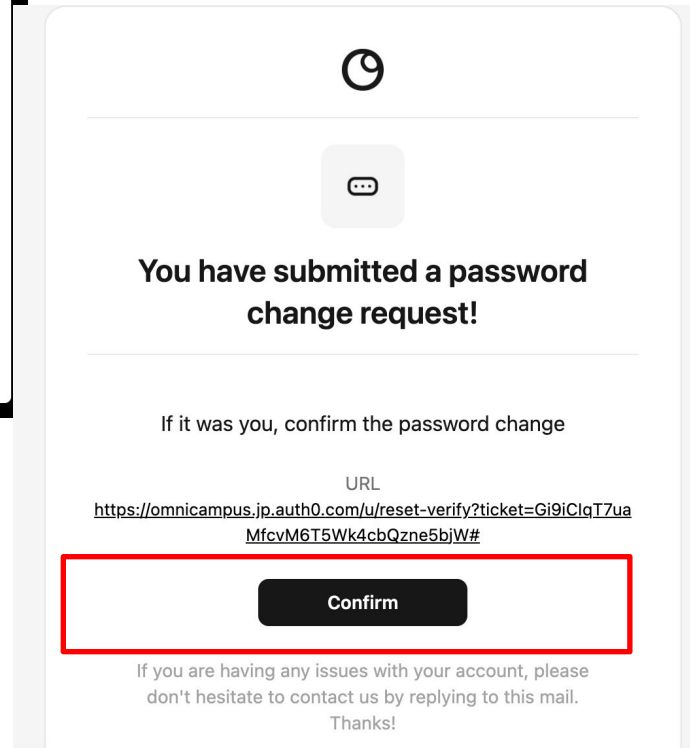

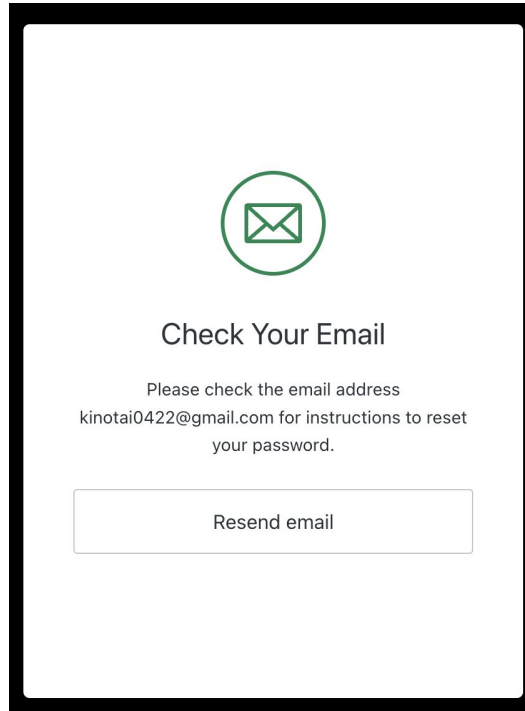

1. Go to the following URL and click **[Forgot password?]** on the login page:

<https://edu.omnicamp.us/en/>

2. On the **[Forgot your password?]** page, enter the email address you used when applying in the input form and click "Continue."

Note: Registration cannot be completed with any email address other than the one used at the time of application.

If you forget your Omnicampus password...

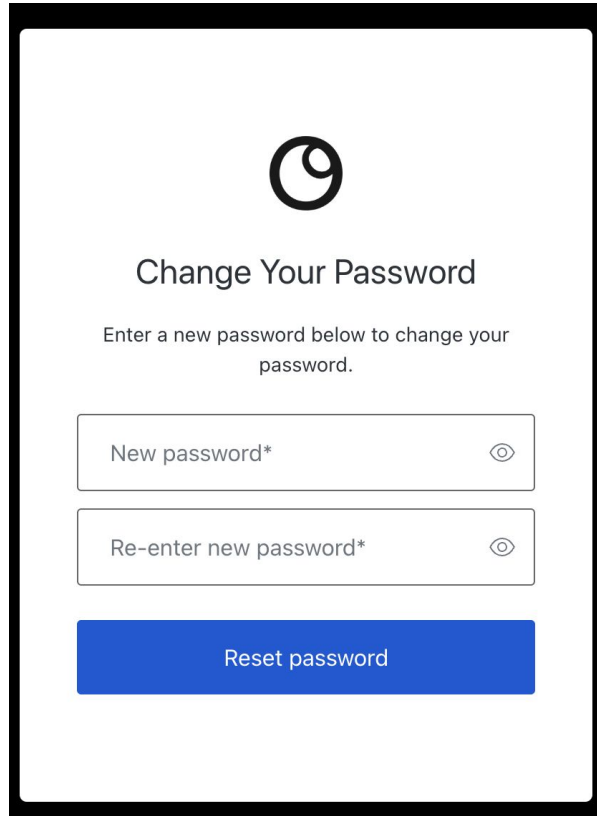

3.The [**Check your email**] page will appear, and an email with instructions to reset your password will be sent.

Please note that it may take a few moments for the email to arrive.

4.Check your email inbox and click the "**Confirm**" button in the message you receive.

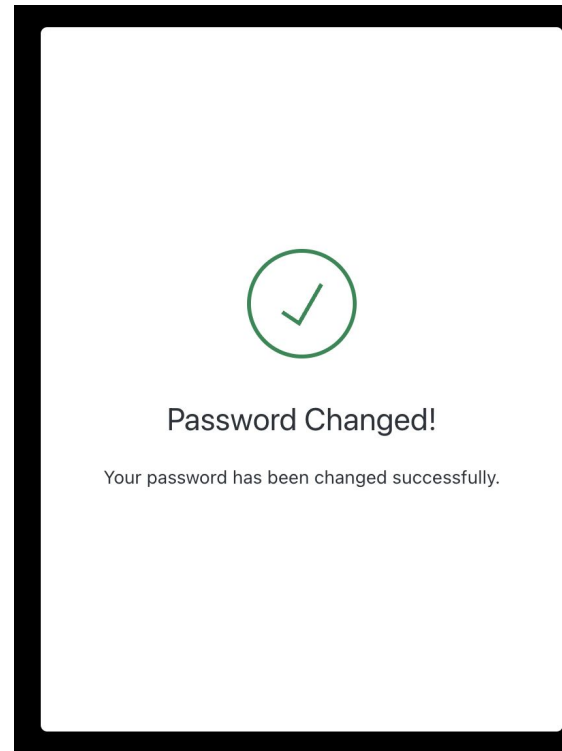

Also check your spam/junk folder. We recommend adjusting your settings to ensure future emails are not directed to the spam folder.

If you forget your Omnicampus password...

The screen displays a circular icon with a lowercase '9' at the top. Below it, the title "Change Your Password" is centered. A subtitle reads "Enter a new password below to change your password." There are two input fields: "New password*" and "Re-enter new password*", each with a toggle icon on the right. A blue button labeled "Reset password" is at the bottom.

5. On the **[Change Your Password]** screen, enter your **New password** and click **[Reset password]**.

6. Once the reset is complete, confirm that the **[Password changed!]** screen is displayed, then close the window.

If you forget your Omnicampus password...

7. Please visit <https://edu.omnicamp.us/en> again and log in using the password you just set.

8. Immediately after logging in, you will be asked to enter your account name. Please create and register your account name.

Once this step is completed, the initial setup process will be finished.

Account Name Setting

When using Omnicampus, we ask you to set your account name.
This name will be displayed in Slack and leaderboard rankings.
Please refrain from using symbols like '@' and '\$' in half-width alphanumeric characters (uppercase and lowercase are available).
Please set it between 8 and 16 characters.

Please enter the account name you want to use.

Check Availability

*Please enter your name **without any spaces**. Entering spaces will cause an error, so please be careful.
